SAMMARY

The first choice in the field of infrastructure, building medium-sized commercial projects and leadership in urgent projects, local leadership and excellence in building a solvency and reputable institution.

Hello

The contracting sector in the kingdom of Saudi Arabia is a sector that plays a very important role in advancing the national economy and accelerating the development processes.

It also represents the locomotive that attracts and leads the rest of the economic sectors and opens up wider and broader areas for growth the progress in light of a promising tomorrow drawn by government stimulus directions, the contracting sector is the most efficient, best and largest in the middle east, as a result of its long and great experience in implementing mega-development projects during the past years.

Founders Message

Since our establishment, Al Barga for Contracting, and our motto is quality and commitment, and they are the two wings with which the institution soared in the skies of the broad economy in the Kingdom of Saudi Arabia in an unusually competitive atmosphere.

The public and private sectors, and we aspire with confidence to push the institution to the ranks of giant national institutions, in the field of the broad economy and in a competitive and giant sector such as the contracting sector in the Kingdom of Saudi Arabia.

More effective human beings and modern technical systems. Our plan was to move at a steady and fast pace and keep pace with the economic developments in the internal market. Al Barga for Contracting team was the largest supporter and the main pillar to achieve what our souls raised to advance our company, win an economic share, and build technical and administrative cadres that can make its mark and advance. Think about what serves this great country.

ABOUT

Al Barga for Contracting is a Saudi national institution specialized in the field of contracting and was able to prove its ability to enter the Saudi market in the most important and competitive sector in the Kingdom of Saudi Arabia. With wise management and highly efficient human resources, it was able to impose a good share in the field of infrastructure and implement several projects in all regions. It has diversified the projects implemented by the Foundation, and it has implemented infrastructure projects, earthworks, concrete and border nets.

FOR CONTRACTING

Director's Message

Al Barga for Contracting has long established a brilliant brand name in the field of contracting, and the institution has kept pace with the periods of tremendous growth and development witnessed by the Kingdom of Saudi Arabia in the past decades, which earned it long experience in its field of work. The institution went along with the path of development, and contributed directly and significantly to advancing the economic development wheel in our beloved country through its wide geographical spread throughout the Kingdom and by providing a high-quality service.

BEGINNING

Since our inception and in a short time we have been able to prove our worth and ability through professional work based on quality and speed. The Corporation started its work in the Kingdom in infrastructure works, specifically earthworks, concrete works and network works. The Corporation implements the most important projects, thus achieving a qualitative leap in the way it works in terms of size and style of work, which made it occupy a high position among the contracting institutions in the Kingdom of Saudi Arabia

OUR SERVICES

- All underground pipes installation(HDPI, DI, PVC, And GPR)
- Concrete works
- Installation for electrical and ELV Systems.
- Earth works
- Supplying water business
